Upcycle your *Jars*

Prepare

Upcycle your jars and toys to make them look more vibrant and interesting. What you need:

- Your favourite White Knight Squirts colours
- White Knight Squirts Undercoat
- Goggles
- Gloves
- Dust mask
- Super glue

All of the items listed above can be found at your local Bunnings store.

- A jar
- A toy

Personalise

Set up your project in a well-ventilated area. Cover surrounding areas to protect from overspray and read the product labels before use.

Glue

1. Glue the toy to the lid of the jar. Leave it for 10 minutes to dry.

Undercoat

2. Apply 1 coat of White Knight Squirts Undercoat to the lid, covering the entire surface. Allow 1 hour to dry.

Spray

3. Spray your favourite White Knight Squirts colour and apply 1 - 2 coats to the lid. Allow 1 hour to dry.

Fill

4. Put the lid on the jar and fill with your favourite goodies!

Post

Post a picture of your upcycled jar and hashtag **#WKCRAFTERNOON**.
